## **All Lanes Open on U.S. 30 in Lynwood**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced today that all lanes of U.S. 30 from Indiana State Line to Glenwood-Dyer Road (Illinois 83), in Lynwood, will open on Thursday, Dec. 17.

The road was previously reduced to one lane in each direction in order to connect pavement to the recently constructed overpass on U.S. 30 at the Canadian National Railroad tracks.

U.S. 30 will remain open to two lanes of traffic in both directions through the winter. Access between Sauk Trail and U.S. 30 also is allowed.

The portion of U.S. 30 between Indiana State Line to Glenwood-Dyer Road will be reduced to one lane in each direction again in Spring 2016. The lane reduction is required to complete construction of pavement.

Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
